DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on 4/11/2008 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent Nos. 7,185,054, 6,237,025 and 5,758,079 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 51-63, 65-73, 75-79, 81-87, 89, 91-103 and 105-108 (now renumbered 1-52) are allowed.

3. The following is an examiner's statement of reasons for allowance. These reasons for allowance should not be interpreted to imply that limitations not specifically mentioned are immaterial to patentability. The specific limitations identified below have been considered in combination with the entirety of the claim in determining patentability.

The prior art of record fails to disclose or reasonably suggest a system as claimed wherein the system maintains dynamically changeable associations between users and communications devices and presents a user interface to a user that contains a scrollable list of identifiers or a dial panel of identifiers used in initiating communication with a second user, wherein a third user attempts to establish a communication session with the first user while a session between the first and second users is ongoing, and

the first user is notified of the attempt and the identity of the third user and given the option of accepting the incoming request for communication.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to AARON STRANGE whose telephone number is (571)272-3959. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glen Burgess can be reached on 571-272-3949. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
